Mohamed Noureldin

Data Scientist & Machine Learning Engineer

Banha, Qalyubia, Egypt | mohamednoureldin217@gmail.com | GitHub | LinkedIn | Portfolio

Summary

Data Scientist and ML engineer focused on end-to-end machine learning: data cleaning, EDA, feature engineering, model training, tuning and evaluation. Driven by turning complex datasets into actionable insights.

Projects

Skills

- **Languages:** Python, C++
- **Data & EDA:** Pandas, NumPy, Matplotlib, Seaborn
- **Machine Learning:** Scikit-learn, XGBoost, PyTorch, Feature Engineering, Model Evaluation
- **Tools:** Git, GitHub, Jupyter Notebook, VS Code, Streamlit

Education

Benha University - Faculty of Computers and Artificial Intelligence
B.Sc. in Artificial Intelligence (Sep 2024 - Jun 2028)

Certifications

- Introduction to C++ (certificate)
